

INNOVATION HIVE

innovationhive.eu

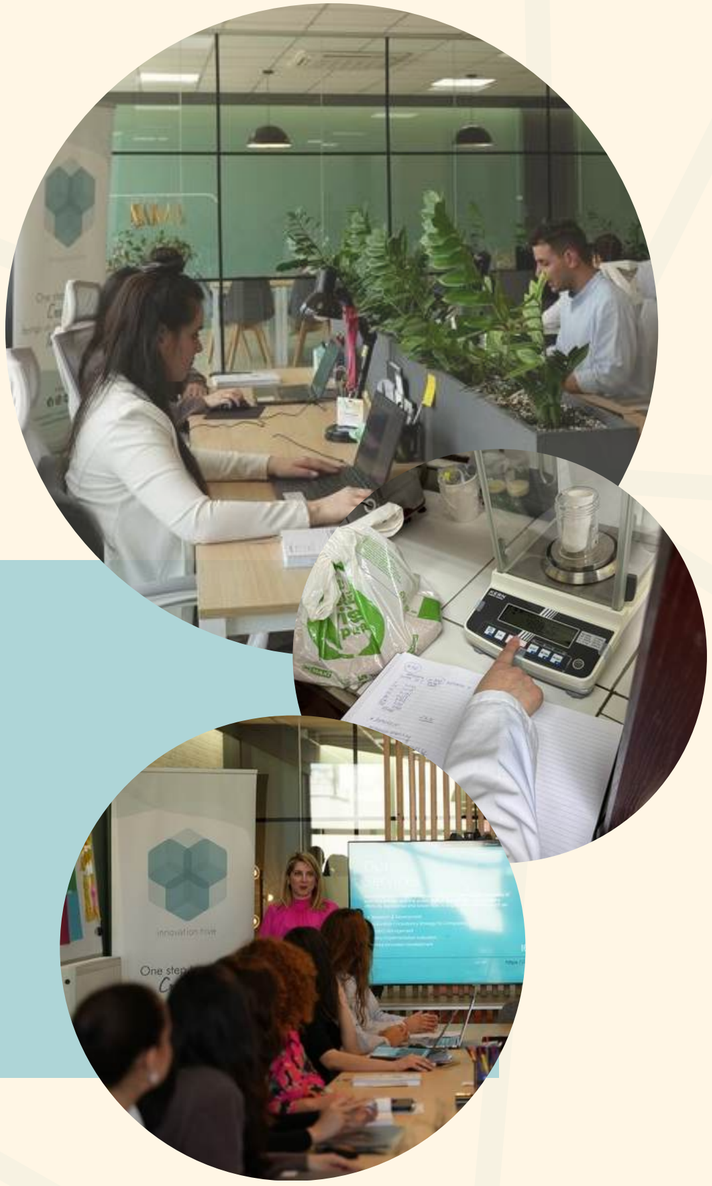

About us

Innovation Hive was established in early 2020 by a motivated and experienced team of professionals in Larissa, Greece. Innovation Hive is a private non-profit organization, specialized in the fields of research and innovation.

Our actions aim to enhance the economic and social cohesion of European societies while our goal is to provide solutions to the new innovation challenges, achieve growth, sustainability and maximize the impact to the society.

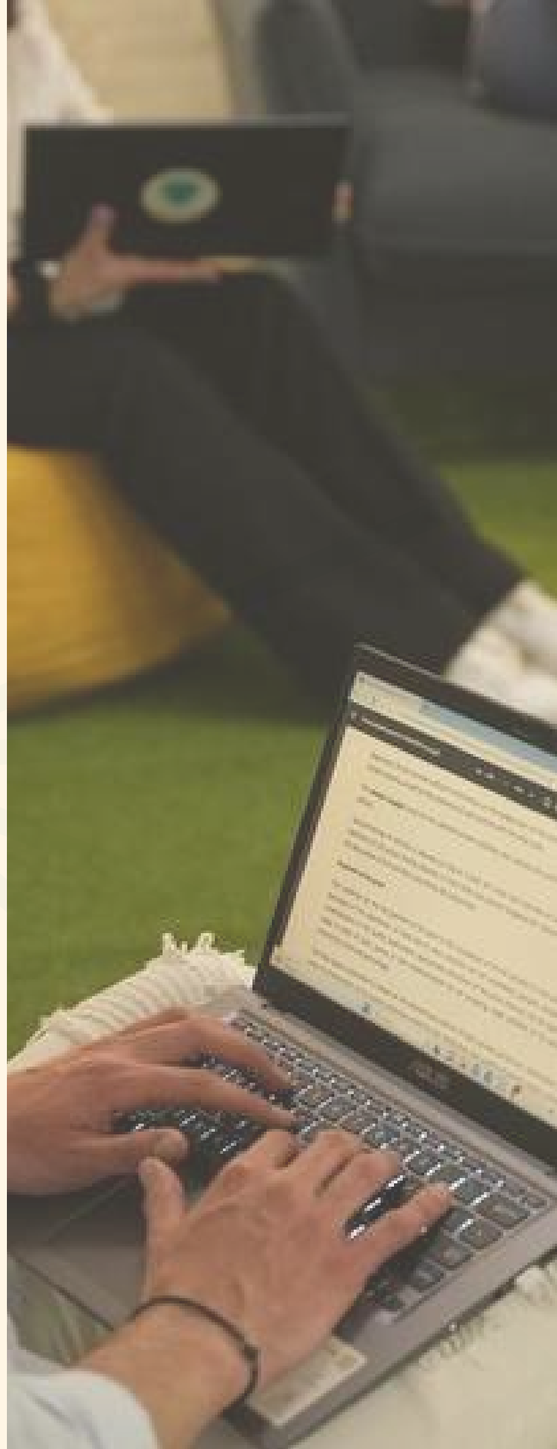

Our Mission

Promotion of the European identity and information on developments at European level.

Developing a combination of knowledge, skills, tools, values and motivation

Creating links between the businesses, the academia and the civic actors

Fields of Expertise

01 BUSINESS INNOVATION

Combining innovation, sustainability and recognizing market demands, we offer solutions for business growth.

02 SOCIAL INCLUSION

Promoting social inclusion by recognising the rights of vulnerable groups for a more equal society through education and information.

03 SOCIAL INNOVATION

Addressing today's social challenges with new approaches & good practices at a European level.

Fields of Expertise

04 CULTURE & ART

Our action focuses on the preservation of our cultural wealth, the promotion of art as a means of inclusion and accessibility to it.

05 DIGITAL DEVELOPMENT

We create digital tools and promote new technologies and to enhance education, performance and accessibility.

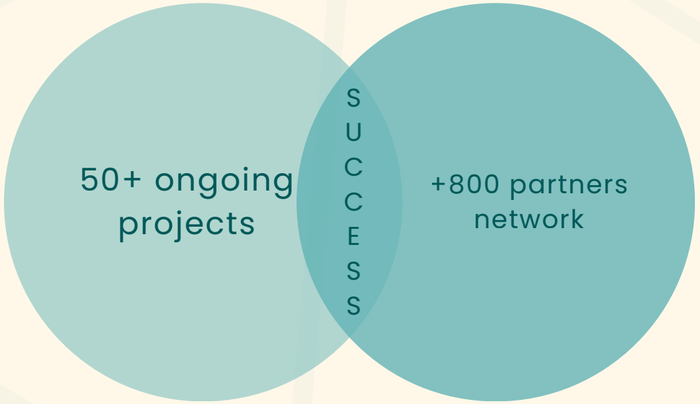

06 CIRCULAR ECONOMY

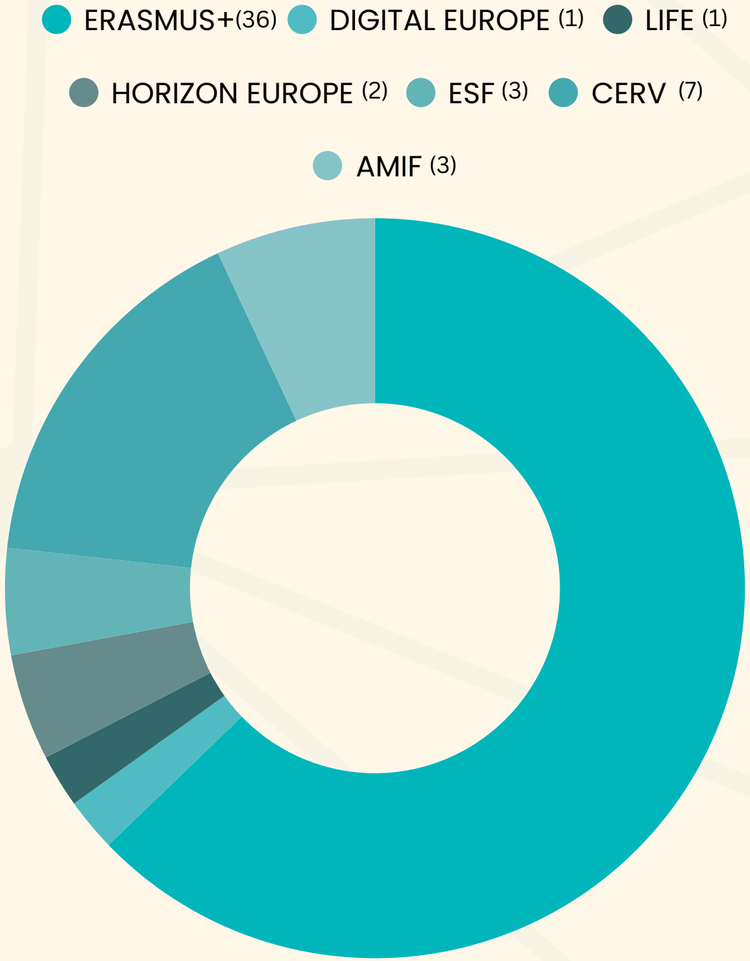

We promote the principles of the circular economy in full compliance with the Sustainable Development Goals of the European Union, with the aim of achieving long-term and sustainable results.

Our impact

By leveraging our expertise and working closely with a diverse range of partners, we ensure that our efforts lead to meaningful and lasting change.

SYNERGIES

We join forces with **Larissa Learning City** in areas such as Social Inclusion, Entrepreneurship, Social Innovation, and Cultural Heritage.

Collaborating with **IEK AKMI** drives educational innovation, addressing systemic problems and enhancing the learning experience for both educators and students.

We are joining forces with **EXANTA** in a partnership to reshape the educational landscape, offering teachers and students a multitude of opportunities.

We work closely with the **Municipality of Larissa**, the **Chamber of Commerce** and the **Municipal Youth Council of Larissa**, combining efforts for the development of the local community.

The partnership with **ODF** will focus on co-designing and co-implementing initiatives in tech transfer, deeptech, digital innovation, and green transition.

With the **Department of Business Administration of the University of Thessaly**, we seek to enhance the skills of students and graduates.

Partnering with **Aegean College** fosters educational innovation, tackling systemic challenges and improving the learning experience for educators and students alike.

We are working with the **Armenian University of Economics**, strengthening the Innovative Knowledge Hub to promote innovation.

In collaboration with **CLC Athens** we use educational materials to empower students and future professionals.

INITIATIVES & NETWORK

MEMBERS OF

EUROPEAN INVENTOR'S WEEK

We actively participate in the **European Inventors' Week** network to promote inventions and network inventors.

TRANSPARENCY INTERNATIONAL GREECE

We work with **Transparency International Greece** to promote the principles of Transparency in Governance (OGP) and encourage responsible citizen participation in governance.

EUROPEAN NETWORK OF INNOVATION FOR INCLUSION

As active members of the **European Innovation Network for Inclusion**, we promote innovative solutions to address complex social and labour challenges

EUROPEAN ASSOCIATION OF INSTITUTES FOR VOCATIONAL TRAINING (EVBB)

Our participation as a member of the network **(EVBB)** implies the implementation of innovative practices aiming at the highest quality of VET centre education systems.

COMMUNITY PARTNERS

INTERNATIONAL YOUTH VOLUNTEERING ORGANIZATION

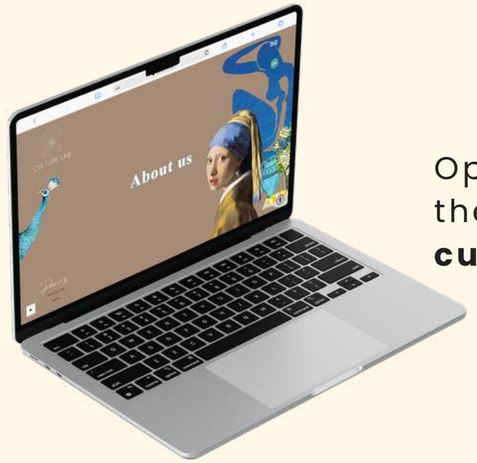

Together with AIESEC, we're **empowering youth** by providing growth opportunities focused on **leadership**, skills development, and **social responsibility**.

STUDENT ENTREPRENEURSHIP ASSOCIATION IN GREECE

A collaboration to create an environment that fosters **entrepreneurial thinking** and to enhance students' skills and promote entrepreneurial culture in Greece.

INITIATIVES & NETWORK

INITIATIVES

CULTURE LAB

Open e-learning platform dedicated to the promotion and preservation of the **cultural heritage** and **Artpreneurship**.

YOUTHSPEAK FORUM

Supporting **YOUTHSPEAK FORUM** initiative and together we raise awareness of the **17 Sustainable Development Goals** among young people.

FUELING SUSTAINABILITY THROUGH COFFEE GROUNDS

We actively support **Kafsimo**, an InCommon initiative that aims to convert coffee residues into clean biofuel.

VOLUNTEER PROGRAM

With **Be My Eyes**, we provide support to visually impaired people, promoting accessibility through technology.

Our Services
